# Footer

Change background color to hex: # 545454
Use the green SOME Icons as in my example

Use this globe in footer:

After submission: redirect and open new page:
https://www.happylifehappywork.com/welcome

Hero Homepage

Is it possible to show a square Video like the one here?
If yes – please change.

How We Can Work With You

Blog link is not opening

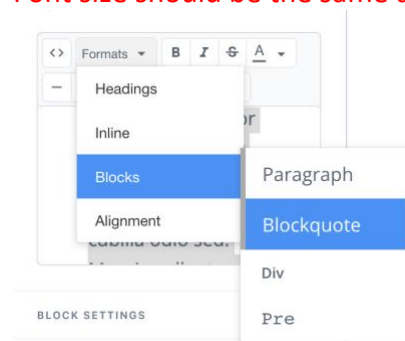

General Coding / customization

Whenever I use Bullet List in text fields, I would like the green square bullet to show up. Font size should be the same as "normal" <p> font

- The Corporate Spring
- Influenced by Scandi
- For over a decade we
- Leaders around the v
- Studies show that hig

Whenever I use Blockquote in text fields, I would like the green horizontal line to show up. Font size should be the same as "normal" <p> font

To be:

From Change To Transition

> Change is situational and external.
> Transition is psychological and
> internal. Unless transition occurs,
> change will not work. By focusing on
> the HUMAN side of business; we help
> leaders, teams and individuals
> transition into who they need to be to
> succeed in the future.

The same 2 customizations should be coded into Happy Life Happy Work as well, but then with hex. Color: **F18500**
